

Memo to: Paul Loveless, Town Administrator  
From: Terry Huber, Research / Policy Analyst  
Date: July 8, 2009  
Subject: 2009 Town of Steilacoom Fuel Mix Report

Paul, please publish the following 2009 Town of Steilacoom Fuel Mix Report in the next edition of the Around Town.

EHB 2565 – **Fuel Mix Disclosure – RCW 19.29A.010**, requires the Town to annually disclose the resource fuel mix for electricity distributed and sold by the Town’s Electric Utility. Washington’s disclosure requirement relies on historical data – the prior calendar year. Calendar year 2008 data is used to generate the Year 2009 Fuel Mix Report.

The Town of Steilacoom purchase 100% of its power supply needs from the Bonneville Power Administration (BPA). Please see the table below for the Town’s Year 2009 Resource Fuel Mix Report.

Biomass	0.11%
Coal	3.59%
Hydro	82.85%
Landfill Gases	0.01%
Natural Gas	1.47%
