

SMALL WORKS ROSTER FOR THE TOWN OF STEILACOOM

The Town of Steilacoom is now accepting applications from qualified companies to be placed on the Small Works Roster which will be utilized for Public Works Projects that are estimated to cost less than \$200,000. Many of the Town's improvement projects will be utilizing this roster. Any interested parties are encouraged to request an application. The Small Works Roster is updated annually; it is not necessary to resubmit your information if it is already on file with the Town.

An application and contractor information form can be obtained by one of the following:
