PART 3: HISTORICAL OR CULTURAL SIGNIFICANCE

Criteria for Designation

Steilacoom Municipal Code recognizes eight criteria of eligibility for inclusion on the Steilacoom Register of Historic Places. Please select any that apply to this property, for which there is documentary evidence included in this nomination form.

- A Associated with events that have made a significant contribution to the broad patterns of national, state, or local history or
- B Embodies the distinctive architectural characteristics of a type, period, style, or method of design or construction, or represents a significant and distinguishable entity whose components may lack individual distinction or
- C Is an outstanding work of a designer, builder, or architect who has made a substantial contribution to the art or
- D Exemplifies or reflects special elements of the Town's cultural, special, economic, political, aesthetic, engineering, or architectural history or
- E Is associated with the lives of persons significant in national, state, or local history or
- F Has yielded or may be likely to yield important archaeological information related to history or prehistory or
- G A building or structure removed from its original location but which is significant primarily for architectural value, or which is the only surviving structure significantly associated with an historic person or event or
- H A birthplace or grave of an historical figure of outstanding importance and is the only surviving structure or site associated with that person or
- I A cemetery which derives its primary significance from age, from distinctive design features, or from association with historic events, or cultural patterns or
- J A reconstructed building that has been executed in a historically accurate manner on the original site or
- K A creative and unique example of folk architecture and design created by persons not formally trained in the architectural or design professions, and which does not fit into formal architectural or historical categories.
